to indefinitely postpone the bill which was not successful. There was no attempt to advance the bill, and because there were questions that were brought to me that I felt merited further development and study, I attempted to obtain this information, and in doing so, bracketed this bill for May 2nd. Now I was prepared on May 2nd to take up this bill, and as you well know, we were not able to get to General File. Therefore, I do not feel that I should be penalized or those people should be penalized that have bracketed their bills for a date certain, and for one reason or another, the Legislature has not been able to address these bills. So I would just say for those bills that have been previously bracketed for a date certain, that they not be excluded and taken up as Senator Chambers has designated in his amendment. Thank you.

SPEAKER LUEDTKE: Senator Marsh, Senator Bereuter asked for the...Senator Bereuter, I will recognize you. Senator Marsh. It is Stoney's motion. So Senator Koch is still on, do you wish to speak? Senator Koch, could you come up front. All right. Senator Marsh, then, you call for the question. Do I see five hands? All in favor of ceasing debate vote aye, opposed nay. Record the vote.

CLERK: 26 ayes, 2 nays.

SPEAKER LUEDTKE: Debate ceases. Senator Stoney, do you want to close on your amendment? All right, Senator Stoney will waive the closing. All those in favor of adopting the Stoney amendment to the Chambers amendment vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 19 ayes, 3 nays on the motion to adopt.

SPEAKER LUEDTKE: Motion is adopted. Now the Chambers motion as amended is before the House. Senator Chambers, do you wish to close? No closing. The motion is the Chambers amendment as amended. All those in favor vote aye, opposed nay. Have you all voted? Record the vote?

CLERK: 28 ayes, 2 nays. Mr. President.

SPEAKER LUEDTKE: Motion carries. Senator Chambers. They will both be excluded because his motion, as I understood it, was to take off any bill that was bracketed so they are both off of the list. That being a lower priority, I guess that is the way it is. I would have to go over the Stoney amendment. Read the Stoney amendment.
